**PRIVACY POLICY**

This practice operates under infection control guidelines established by the National Health and Medical Research Council. All non-disposable instruments and handpieces are sterilised to appropriate standards. Should you have any medical condition which may require further precaution please notify us. If you wish to discuss any medical aspects in private with the doctor please indicate:……

Your health information and our privacy policy in accordance with Victorian Health Records Act 2001 and Privacy Act. Our practice respects your right to privacy. We realise it is important for you to understand the purpose for which we collect details about your health. If is also important that you are informed as to how this information is used at our practice and to whom this information might be disclosed. The practice policy is to follow these procedures:

1. The information collected will be used for the purpose of providing treatment to you. Personal information (e.g. name, contact details and health insurance) will be used for the purpose of addressing accounts to you, processing payments and may be forwarded to relevant third parties e.g. debt collection, technical administration/I.T. It may also be used when writing to you about our services and any issues affecting your treatment.
2. We may disclose your health information to other health care professionals, or require it from them, if this is deemed necessary in the context of your treatment. Discussion of your case may be via phone, post or email.
3. We may also use parts of your health information for research purposes, in study groups or seminars, where the information may be of benefit to other patients or health professionals. Disclosure of your personal details will be minimised wherever possible.
4. Your medical history, treatment records, x-rays and other material relevant to your treatment will be kept at our clinic. You may inspect or request these or seek an explanation from the dentist. Statutory fees will apply in relation to the types of access you seek. Should you request an explanation of our records or a written summary, our usual fees will apply to these services.
5. If any of the information we have about you is inaccurate, you must ask us to alter our records accordingly. You can be reassured that your health information will be treated with the utmost confidentiality. Disclosure will not be made to any person not involved in either your treatment or the administration of this practice, unless with your consent. If you have any questions or concerns about our handling of your health information, please do not hesitate to raise these with our practice.

Please sign this form as a confirmation of your personal details, your health information and that you have read and understood our privacy policy, and consent to the use of your details in this way.

Signature of (Patient / Parent / Guardian):…… Date:……

***Please pass this form back to reception staff once completed. Thank-you.***
